

Book your Verge Valet bulk rubbish and green waste collection online for a date that suits you.

Verge Valet is the convenient new bulk rubbish and green waste service that's streets ahead of the old, messy communal collections.

Before you book Verge Valet: can someone else use your stuff? Contact charity collectors or try online community reuse options such as Buy Nothing or Gumtree.

Verge Valet is for rubbish, but we will sort it so as little as possible ends up in landfill.
