

The remuneration, fees, recoverable expenses, or allowances provided to local government CEOs and council members are determined by an independent State Government body, *the Salaries and Allowances Tribunal (SAT)*.

The ranges of fees (per meeting) in the SAT determination Table 5 and Table 9 (annual attendance fees) apply where regional local government decides by an **absolute majority** to pay a council member a fee referred to in *section 5.98(1)(b) of the LG Act* for attendance at a council meeting.

The council has adopted the following methodology:

- a) The sitting fees set at rates equal to 80 percent of the maximum SAT determination Table 9.
- b) The council chair allowance sets at 50 percent of the maximum SAT determination Table 11.
- c) The council deputy allowance sets at 25 percent of the maximum SAT determination Table 11 and section 7.3 (1).
- d) Section 9.2 (2) of the SA Act prescribes the annual allowance for ICT that the regional council should apply.
- e) Section 9.2 (3) of the SA Act prescribes the annual allowance for travel that the regional council should apply.

The [SA determination](#) of April 2024 increased Regional Council elected members' remuneration by 4 percent.

Council member remuneration is published in the Annual Financial Statements.
